Address: Rua Mateus Leme, 1294 – apto 3A – Centro Cívico – Curitiba, PR

Phone Numbers (home / mobile): (41) 3076-0897 / (41) 9251-1041

Date of Birth: 09/July/1985

e-mail 1: [thilorusso@gmail.com](mailto:thilorusso@gmail.com)

e-mail 2: thilorusso@hotmail.com

### OBJECTIVES

Improve my skills regarding Java programming and its frameworks; be involved in a daily routine of a software development's team; to improve my acknowledgements about project management; be in touch with people from many countries and have international experiences.

### EDUCATION

GRADUATION:

Bachelor's degree at Computer Science, State University of Maringá, 2008.

POST-GRADUATION:

Object-Oriented Development using Java, University Center of Maringá, 2010\*.

### WORK EXPERIENCE

#### •HSBC Global Technology

Application Support Analyst from January 2009 to January 2010. My main roles were to provide support to HSBC's developers all around the world who used the Java application I worked with. Support activities were made via phone calls, chats and e-mails. I was also Configuration Manager of the project and focal of Business Continuity Plan of all GLT Brazil's support team.

#### •Celepar – Information's Company of Parana State

Java Analyst since January 2010. My main roles are to maintain an existing Java system and to prospect and develop new Java systems and frameworks to the company. Nowadays my team are responsible to maintain a system built on Java platform which uses Struts, JBPM, Hibernate, JackRabbit, PostgreSQL, Jboss, Maven and CVS.

### SKILLS

Programming skills and Operating System:

Java, JSP, HTML, Servlets, Struts, JUnit, JDBC, Hibernate, SQL, Shell Script, Maven, Windows, Linux and UNIX.

Development tools:

IBM Rational Application Developer, Eclipse, Netbeans.

Application Servers:

TomCat, JBoss, IBM WebSphere Application Server (support level), IBM WebSphere Portal Server (support level).

Languages:

Advanced English at writing, speaking and listening.

Certified by University of Cambridge as Intermediate-Advanced English speaker (PET certificate) since January, 2008.

Management skills:

During the college, I was member of a scholarship program that has as mainly purpose to develop management skills on its member. During 2007 I was the leader of the group and had the opportunity to improve my management skills being involved with planning, execution and reporting of group`s activities all over the year. Some examples of activities I used to manage: Make and organize events, find sponsors, contact people to give speeches, courses and trainings, distribute the roles to other members and be concerned that all we had planned would be done. The group was made by 12 students and a teacher which was the tutor of the group.

**PERSONAL THINGS**

In my free times I use to play some musical instruments as drums, guitar and percussion in the church I am a member, play basketball with friends, like reading the bible as soon as theological things and go out with my girlfriend and friends.

**ADDITIONAL INFORMATION**

To learn more about the scholarship program I mentioned above, please access [http://portal.mec.gov.br/index.php?option=com\\_content&view=article&id=12223&Itemid=480](http://portal.mec.gov.br/index.php?option=com_content&view=article&id=12223&Itemid=480) (just Portuguese version).

\*I finish Post-Graduation course on 2010.
